

2018 GTOAA Convention Car Show Info

JUNE 26 – JUNE 30, 2018, VALLEY FORGE, PA

Hosted by Susquehanna Valley GTOs, Inc.

General Info

Register early. Convention registration is \$65, but after June 1, 2018, there is a late fee of \$25.

- **Concours entry deadline is June 1st.**
- **Popular Vote deadline is June 1st.**
Popular Vote entries received after June 1 will be placed in the Street Legends display class. No exceptions.

Concours Information

Concours Registration: To participate in the Concours Show, you must register by June 1, 2018.

Only 1964-1974 GTOs, GT-37s, and 1964-1972 A-bodies (Tempest & LeMans) can enter Concours classes.

1974 Venturas that promote a GTO image may compete in the Concours Competition Modified Class (full race cars) only.

Cars in all Concours classes (except Competition Modified) **must provide documentation from Pontiac Historical Services** indicating that the car is an authentic GTO / Judge / GT-37 / Tempest / LeMans.

Concours Class Descriptions:

Restored: Judging in this class will be based on authenticity and quality of workmanship. Replacing original materials, assemblies, or additions of accessories is acceptable only if they were available from the manufacturer during that particular model year. Point determination for the use of reproduction parts will be based on their likeness to factory assembly line parts.

Factory Original (Unrestored): This class will be judged on the car's originality and condition. Originality will be determined from the body identification and production codes. Condition will be based on cleanliness and amount of wear. Only original or GM maintenance parts are eligible to receive full point credit. Use of aftermarket or reproduction parts will be grounds for full point deduction. Cars in this class should have a majority of original paint, upholstery, and chrome plating.

Modified & Competition Modified:

To enter Concours Modified or Competition Modified, a car must have at least three qualifying modifications such as: engine swap, transmission swap, non-original induction, disc brakes where not original, aftermarket AC, fuel injection, blower, nitrous, suspension mods, custom dash or upholstery, custom paint (aftermarket color, flames, graphics, etc.) tube frame, roll bar, body modifications, etc. Cars in this program will be judged on build quality, fit, finish, and detail.

Concours cars must complete tech check-in by 5:00 PM Wednesday, June 27. Concours judging takes place on Thursday, June 28.

All Concours questions:

Bill Markowski 716-652-1911 before 9:00 PM Eastern Time
E-mail: wmarkowski@gtoaa.org

Popular Vote Information

Classes are determined by model, year, and body style based on actual registrations received.

Popular Vote is open to all Pontiacs.

Classes for non-GTOs will be determined by the number of other Pontiacs registered, either by year or model.

Popular Vote registrations **MUST be received by June 1, 2018.** Popular Vote registrations received after June 1st will be entered as Street Legends, a display-only class. No exceptions.

All cars must complete tech-check-in.

Popular Vote tech-in takes place Tuesday, June 26, Wednesday, June 27, and Thursday, June 28.

If you do not complete tech-check-in by **5:00 PM Thursday, June 28**, your car goes into Street Legends display only.

Popular Voting takes place Friday, June 29 from 9:00 AM to 1:00 PM.

See the Popular Vote Classification Chart to determine if you should enter as Stock or Modified. Make sure you enter the proper category for your vehicle. If your car has to be placed in a different class upon arrival because the information you provided is incorrect, there

may not be sufficient parking space in the proper class.

This also applies if you bring a different car from the one originally registered. Every effort will be made to accommodate such situations, but if you show up with flames on a car entered as Stock, there may not be a space for you in the Modified category.

Likewise, if you register a '64 GTO convertible but arrive with a '68 Firebird hardtop, there may not be space for you in the class where you need to park.

You must supply your VIN when registering a GTO or Judge. PHS will verify that the car is a real GTO or a real Judge.

Unverified GTOs will be classed as Modified A-body and unverified Judges will be classed as Modified GTO.

It is not necessary to supply a VIN when entering a Pontiac that is not a GTO in Popular Vote.

Street Legends is a display-only, non-voting class for all Pontiacs. It is open to stock, modified, original, project, unfinished, or even beater cars. No judging, no voting, just bring it.

All Popular Vote Questions:

Tom Szymczyk 856-524-2588
E-mail: Goatguytom@aol.com

Bob Alexander 970-221-0754
E-mail: bob06gto@LPbroadband.net

Original Owner Display

If you are a previous Original Owner award recipient or will be receiving the award at this year's convention, you have the option of parking in a display-only class of Original Owner GTOs, LeMans, and Tempests. Or you can enter the regular Popular Vote or Concours competition and still receive your Original Owner Award.

For an Original Owner application, contact Tom Oxler before May 15, 2018 at 636-928-5548 or via e-mail president@gtoaa.org.
